Meet The Director

As we conclude our Black History Month, the entire CCE Department would like to thank all of the parents, family and friends who supported the children's depictions of our famous black heroes.

It is our honor to end our reflection of all of the African Americans who have paved the way for each of us today. We are most proud of being a witness to what is the most historical moment in our history, the first African-American President.

We hope that you have enjoyed our play as we continue to encourage each of our students, that all things are possible with God.

Catechist
